

# Congleton Museum Audience Survey – Prize Draw: Round 1 Winners

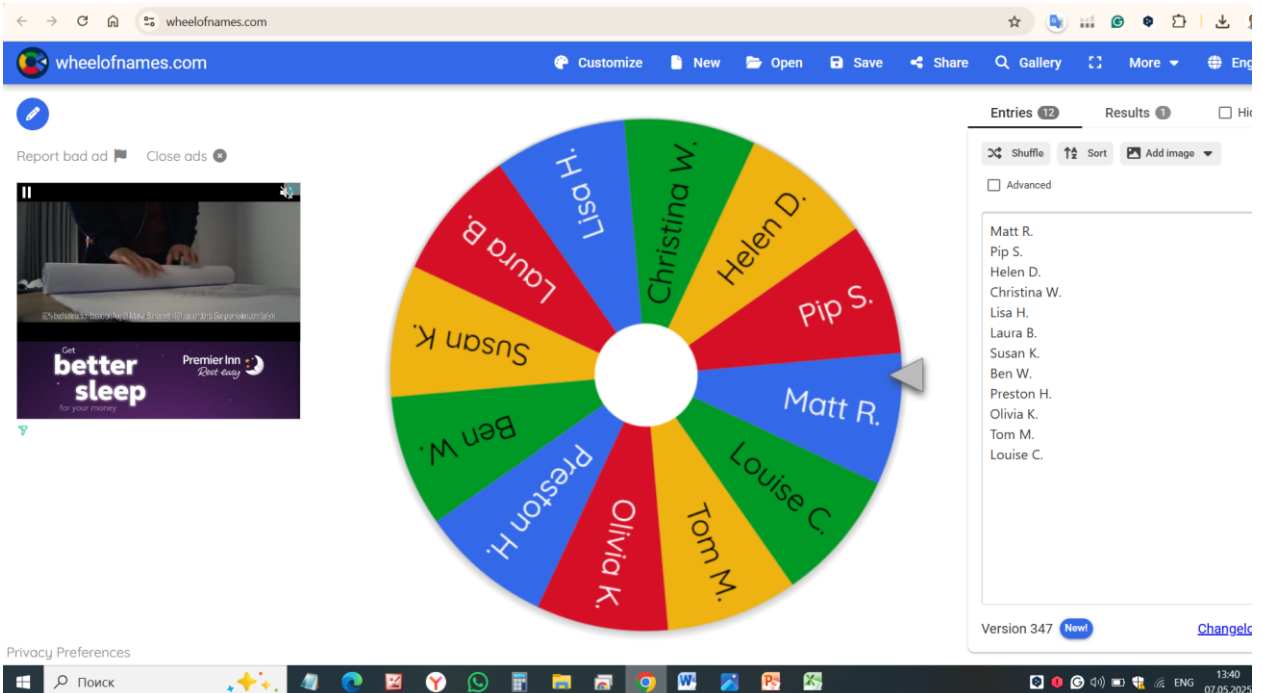

We're excited to announce the winners of the first round of our "Win a Bear in Beartown!" prize draw!

The prizes – soft toy bears from our Congleton Museum gift shop – were awarded as a thank you to participants in our **Audience Survey**, designed to help us better understand what local residents and visitors want from the museum.

## □ Congratulations to our winners:

- Matt R.
- Laura B.
- Christina W.

The draw was conducted using the independent online tool *Wheel of Names* and overseen by two trusted museum representatives – **Sergey Kamenskiy (Joint Chair)** and **Della Bordley** – to ensure transparency and fairness. Screenshots of the process are included below.

The screenshot shows the Wheel of Names website interface. The central wheel is divided into 12 colored segments, each containing a name. A grey arrow points to the segment labeled "Matt R.". To the right of the wheel is a results panel with the following list of names:

- Matt R.
- Pip S.
- Helen D.
- Christina W.
- Lisa H.
- Laura B.
- Susan K.
- Ben W.
- Preston H.
- Olivia K.
- Tom M.
- Louise C.

The interface also includes a navigation bar at the top with options like "Customize", "New", "Open", "Save", "Share", "Gallery", and "More". The bottom of the screenshot shows a Windows taskbar with various application icons and a system tray displaying the time as 13:40 and the date as 07.05.2025.
